

1970 40 2010 IBERMÚSICA

PIERRE BOULEZ

It is with gratitude and respect that I celebrate 40 years of Ibermusica. Gratitude for unforgettable orchestra tours and important premieres of my compositions in Spain, especially Rituel, Notations II and III, Dérive 2 and Répons. Respect for Alfonso Aijon who, founding Ibermusica, has changed the musical landscape in Spain and, consequently, in Europe. But, most important of all, with 40 years of Ibermusica I celebrate Alfonso Aijon because he is an exceptional impresario – of exceptional creativity, exceptional taste and exceptional elegance.
